Experience superior audio with the Sound Blaster Fury, a high quality gaming headset that includes SBX Pro Studio advanced audio technologies that deliver powerful cinematic audio. Armed with the Dual Mode™ USB adapter and a dedicated software suite, gamers can experience amazing positional surround sound pumped through powerful 40mm drivers

Description

Experience superior audio with the Sound Blaster Fury, a high quality gaming headset that includes SBX Pro Studio advanced audio technologies that deliver powerful cinematic audio. Armed with the Dual Mode™ USB adapter and a dedicated software suite, gamers can experience amazing positional surround sound pumped through powerful 40mm drivers, along with Scout Mode*, a feature that allows users to hear enemies from further away for a distinct tactical advantage. The software also provides the freedom of full audio customization and custom profile creation. The headset includes a detachable noise cancelling microphone and a 3.5mm jack for use with smart devices - making this Dual Mode headset perfect for mobile communications as well!

Features

40mm FullSpectrum drivers

Experience a high-powered, no-holds-barred 3D gaming audio experience with massive bass and detailed highs.

40mm FullSpectrum

Breathable Foam Ear Cushions

Like pillows for your ears. The ultra comfortable foam ear cushions are covered by a breathable fabric so you can have comfort without the heat.

Sound Blaster Tactic3D Control Panel

SBX Pro Studio

Unchain yourself from the limits of 7.1 audio. SBX Surround positions audio in a 360 degree true-to-life sound stage.

Dual Mode™ USB adapter required for SBX Pro Studio functionality

Dual Mode Gaming Headset

Use the Dual Mode™ USB adapter with the Sound Blaster Tactic3D Control Panel to customize SBX Pro Studio technologies and get amazing Digital 3D Surround Sound.

In-line volume control and microphone switch

Sound Blaster Tactic3D Fury comes with an in-line volume control so that you can adjust your level of audio with ease.

Not using the microphone? You can simply turn it off with a simple flick of the microphone switch.

Works with your mobile smart devices

Sound Blaster Tactic3D Fury comes with a 4-pole 3.5mm connector, which is compatible with all media and entertainment devices with a 3.5mm plug.

The 4-pole connector allows for stereo audio delivery as well as microphone input, via just one cable.

Works With Playstation®4

Welcome the arrival of the latest generation of console gaming! Get yourself ready to experience some unparalleled realistic gaming action by gearing up with the Sound Blaster Tactic3D Fury, compatible with the new Playstation®4 via 4 pole 3.5mm audio connector in analog mode.

WORKS WITH PS4™

SPLIT YOUR AUDIO OUTPUT AND MICROPHONE INPUT

To use this product with notebooks or PCs with separate audio and microphone connectors, you may use the [Sound Blaster Audio/Mic Splitter Adapter](#) (available separately).
