Short Description

Bitspower Crystal Link Tube for ID 13MM x OD 16MM – Length 20MM (Pre-CNC). This is high quality crystal clear acrylic tube that is CNC cut for a perfect edge and length. If you have your loop designed and have measured distances between fittings, ordering pre-cuts can save you a lot of time and headaches cutting your tubing. This delivers a perfect tube end that mates with your fittings and has no chance to leak.
