Short Description

EHEIM universal pumps offer a large performance spectrum and a wide variety of uses. They are very reliable equipment offering exceptionally long service life. They can be used inside or out of water. The integrated prefilter, safe hose connections, a variety of connections and fixings, but above all their absolute reliability make the EHEIM universal pumps very popular.

Description

EHEIM universal pumps offer a large performance spectrum and a wide variety of uses. They are very reliable equipment offering exceptionally long service life. They can be used inside or out of water. The integrated prefilter, safe hose connections, a variety of connections and fixings, but above all their absolute reliability make the EHEIM universal pumps very popular. They are frequently used in a professional environment – e.g. in breeding units and in zoos.

There are 5 models with output levels from 300 u to 3400 l/h., each with a choice of 1,5 m (Indoor) or 10 m (Outdoor) cable. Also there is a flexible hobby pump with 270 l/h. output.

Approved fluids:	Water, Water/ glycol mixture
Color:	black
Dimensions:	218 x 116x 161 mm
Manufacturer:	Eheim
Material:	Plastic
Max. Discharge head:	3,7m, Good (2 to 4m)
Max. Flow:	2400l/h, Extreme (more than 1400l/h)
Max. System temperature:	35° C
Power connector:	Power plug
Power input:	65W
Voltage:	120V AC
Water inlet:	G1/2" inner thread
Water outlet:	G3/8" inner thread

Features

- Large performance spectrum, developed for long service life
- Usage in/under water or outside the water
- Hermetically moulded motor guarantees complete safety
- Integrated prefilter – protects the impeller from any drawn in particles and ensures longer service life
- Inlet connectors for safe hose connection
- Use of smart accessories; (e.g. InstallationsSET 2) can be attached to the outlet connector
- A variety of fixing possibilities (mounting plate included)
- All models with a choice of 1,5 m. (Indoor) or 10 m. (Outdoor) cable

Specifications

- Pump power per hour at 50 Hz: 2,400 l
- Pumping head at 50 Hz approx. (H max): 3.7 m
- Power at 50 Hz: 65.00 watt
- Dimensions (WxHxD): 218 x 161 x 116mm
- Hose Ø suction side: 28 mm
- Thread Ø suction side: 3/4 "
- Hose Ø pressure side: 18 mm
- Thread Ø pressure side: 3/4 "
- voltage: 230 volt
- Frequency: 50 Hz
- Standard power plug: EU
- Cable length: 150 cm
- Freshwater: yes
- Sea water: yes

Additional Information

Brand	Aquatuning
SKU	AT-1260310
Weight	5.3000
Color	Black
Pump Type	Eheim
Pump Voltage	120 VAC
Vendor SKU/EAN	4011708121597
