Description

Finished in chrome/black-plated brass, the G1/4 stop plug includes a quality O-ring with imprinted Tt logo. Thermaltake fittings provide a complete solution for DIY enthusiasts and PC builders by giving users ideal mounting, fitting and flow.

Features

“Tt LCS Certified” is the hallmark that ensures first-class performance from the best features and fitment. A certification exclusive to Thermaltake, it sets the benchmark for all true LCS chassis and is applied only to products that meet our stringent design standards for delivering what hardcore enthusiasts demand. The Tt LCS certification is a way for Thermaltake to designate to all power users the chassis which have been tested for best compatibility with extreme liquid cooling configurations.

Leak-free Design

Made in Taiwan, the fittings allow proper connection to G1/4” thread, securing properly to any cooling components. The brass fittings are available in chrome and black finishes, include one preinstalled O-ring.

Remarkable Expansion

Thermaltake offers a full line of Pacific Series components for enthusiasts to build up aesthetically-superior water cooling systems by incorporating externally-modular upgrades for their chassis.

Specifications

P/N	CL-W035-CU00BL-A (Black)
Model	Pacific G14 Stop Plug w / O-Ring

Dimension	18 x 8.5 (H) (mm)
Weight	14 g
Material	CU
Screw Thread	G 1/4
Note	Stop Plug

Additional Information

Brand	Thermaltake
SKU	CL-W035-CU00BL-A
Weight	0.2500
Special Order	No
Fitting Type	Plug
Fitting Size	1/4"
Fitting Angle	Straight
Fitting Finish	Matte Black
