**\$73.75**

## Product Images

## Short Description

---

The Lamptron FC Touch brings smart touch screen functionality to your fingertips for fan control. Control up to 6 channels in either manual or auto of your choice. Each channel can have its own independent automatic parameter in which you can adjust to your own specific needs. Each channel features up to 30w of output.

Pick your readouts in choices of RPM or voltage for one side, and Celsius or Fahrenheit for the other. Fits into a single 5.25 bay of your choice. All presented in a CNC milled faceplate.
