DarkSide Advanced PSU Jumper 50cm (19")

\$9.50

Product Images

Short Description

This PSU start-up cable assembly with ON-OFF switch is day and night for convenience comparing to traditional PSU jumper.

Light inside the switch clearly indicates when Power is ON, also the switch makes it much more easier to start/stop pump at initial loop filling procedure.

Description

This PSU start-up cable assembly with ON-OFF switch is day and night for convenience comparing to traditional PSU jumper.

Light inside the switch clearly idicates when Power is ON, also teh switch makes it much more easier to start/stop pump at unitial loop filling procedure.
