Phanteks Digital Controller Hub

$24.99

Product Images

Short Description

Go beyond RGB with Digital-RGB from Phanteks. With Digital-RGB each LED is controlled individually (addressable), featuring more patterns and color modes. Phanteks introduces an easier and more convenient way to upgrade your lighting solution with our new Digital RGB LED Controller Hub. The Controller Hub can be used manually with the preprogrammed color modes and pattern using the 3 button remote or sync directly to a compatible DRGB motherboard using the included M/B DRGB adapter.
