Short Description

An Evercool aluminum case fan will look sharp in your case. Match that nice silver case with this polished aluminum case fan. The fan's housing is made from a single milled block of aluminum which is polished to give it a nice, super-clean look. The fan blades are chromed plastic for a brilliant shine. The fan can be pulled from the frame. This makes painting the frame an easy task. Comes with 4 mounting screws.

Fan cable is fully covered in nylon Techflex sleeving and premium heatshrink, colors of your choice!
