

 **PPCS Cat 7 RJ45 LAN Network Cable High Speed Durable Nylon Braid STP with Gold Plated Plug Black Round - 2M**

\$11.50

Product Images

Short Description

These Nylon Braided Cat7 Ethernet Cables are built to be super durable and are not easily damaged by scratches. They will support bandwidths up to 600MHZ & transmitting data at speeds of up to 10Gbps. Meet all proposed Cat-7 cable requirements and compatible with older Cat6, Cat6E, Cat5 and Cat5E cable standards.

Description

These Nylon Braided Cat7 Ethernet Cables are built to be super durable and are not easily damaged by scratches. They will support bandwidths up to 600MHZ & transmitting data at speeds of up to 10Gbps. Meet all proposed Cat-7 cable requirements and compatible with older Cat6, Cat6E, Cat5 and Cat5E cable standards.

Features

- **HIGH QUALITY MATERIAL** — Sturdy nylon braid cover provides the Cat7 STP Ethernet Cable long life performance and it will not be easily damaged by scratch. Durable gold-plated RJ45 plug ensures connection reliability and maximum signal transfer.
- **UPLOAD & DOWNLOAD SPEED** — Support bandwidth up to 600MHz & transmitting data at speeds of up to 10Gbps. Meet all proposed Cat-7 cable requirements and compatible with older Cat6, Cat6E, Cat5 and Cat5E cable standards.
- **BOTH SHIELDED CONNECTOR** — Built with shielded twisted pair STP cables and shielded RJ45

connectors. Protect against EMI/RFI interference. Surf the internet, stream video, music , and other data at greater speed without lag and other network issues.

- USER FRIENDLY DESIGN — The clip protector of Cat7 network cable has an assisted press point made of rubber, especially useful when plugging into a jack in a hard to reach area. It also keeps the network connector from unwanted snags while routing the cable
- RANGE OF APPLICATION — Perfect for network adapters, hubs, routers, DSL/cable modems, PS3, PS4, X-box, patch panels and other high performance networking applications.

Additional Information

Brand	PPCS
SKU	PPCS-VSAIL-2M
Weight	0.1000
Color	Black
Cable Type	CAT 6 Ethernet
Length	2 meters
