## Description

---

The CHALLENGER EDGE – Comes with a brand new floating keycaps design, delivering stunning colors under

each keycaps that provide gamers a more attractive and in-style look while gaming! Additionally, it was created with a splendid black brushed aluminum faceplate that makes it cooler and more extraordinary!

## Features

---

### ALUMINUM FACEPLATE FLOATING KEYCAPS DESIGN

With its special floating design on the amazing aluminum faceplate, the keycaps will not rub out the font and it offers a brighter backlight! Furthermore, the splendid black brushed aluminum faceplate also adds a stylish flavor, allowing it to shine and makes it extraordinary! You will surely never get bored looking at it!

### The CHALLENGER EDGE

keyboard comes with 8 stunning RGB colors and 4 lighting effects (Static, Pulse, Pulse Jumping & Spectrum Running) that bring the amazing colors for astounding appearance! You can customize the 8 lighting colors, effect speed on the keyboard itself. Tt eSPORTS engineered a real RGB keyboard which offers better and stronger colors and features that fit all needs! With all these beautiful colors on this membrane keyboard, you can color up your keyboard and power up in your battle!

### LOCK YOUR KEYBOARD!

You can choose to lock the Windows Key or lock the entire keyboard when you feel like it! Lock the Windows key whenever you're in an intense game to prevent accidentally pressed! You can also lock the entire keyboard to clean the keyboard; therefore, you can clear your keyboard without commanding unintentionally!

### ANTI-GHOSTING AND USB N-KEY ROLLOVER

With the N-key rollover, the CHALLENGER EDGE will allow 6 combinations keys (Q,A,Z,W,S,X,E,D,C,B,SPACE, tab & 4 Directional keys) to be registered simultaneously at keystroke to make sure your gaming session is as fluid as it can be.

### HANDY MULTIMEDIA SHORTCUT KEYS

Everything is adjustable on-the-fly, software is no longer needed! Containing multimedia keys, shortcut keys, lighting keys and function key that provide tremendous accessibility at users' fingertips.

### FAST RESPONSE KEYS

The sleek aesthetic and membrane switch were purposely chosen to create a very short travel distance to actuation on each key. This enables the gaming keyboard to have extremely fast response, giving you the ability to game your best!
