Short Description

The VENTUS X Optical RGB gaming mouse comes packed with the latest tech to meet the needs of hardcore gaming enthusiasts. At the heart, a powerful PIXART PMW-3360 optical engine powers the mouse with up to 12,000 DPI options. The addition of a two zone 16.8 million RGB color illumination in both static and pulse lighting effects adds stunning color to your gaming experience coupled with an innovative aerodynamically inspired design airflow ventilation system to provide enhanced cooling during your gaming sessions. Additionally the use of both an ARM 32BIT controller and OMRON 20-million click rated switches provide lightning fast responses and durability when you need it most.

Features

Tt eSPORTS PLUS+ PC Software Support

Tt eSPORTS Plus+ is a software made for the Tt eSPORTS SMART SERIES that offers a user-friendly UI to record and display gaming performance. It records gamers' performance statistics to the Tt eSPORTS PLUS+ application, breaking them down by distance, clicks, actions per minute, and lift-off. In addition, the Tt eSPORTS PLUS+ COMMUNITY & Data Management Platform further analyzes your stats, compares your usage with pro players and enables you to challenge your friends to mouse usage competitions. The Tt eSPORTS PLUS+ application is currently available for download on PC device.

RGB ILLUMINATION 16.8 MILLION COLORS
Add extra mood to all intense gaming sessions by adding RGB illumination with 16.8 million color options on 2 separate zones with stunning static, pulse and spectrum running lighting effects.

AERODYNAMICALLY INSPRIRED DESIGN
Aerodynamic honeycomb design with smart ergonomic construction enables the smooth passage of airflow from hand-to-mouse during gameplay; and creates an environment of breathability for enhanced movement and comfort during use, especially during periods extended gameplay.

POWERFUL PIXART PMW-3360 OPTICAL SENSOR UP TO 12,000 DPI
The VENTUS X optical RGB gaming mouse offers up to 12,000 DPI that can be adjusted on-the-fly to allow you to move with precision and pinpoint accuracy during gameplay.

ARM BASED 32 BIT MICROCONTROLLER
Powered by an ARM 32 bit microcontroller, the VENTUS X optical RGB provides lightning-fast processing power and speed to handle the most demanding of calculations, without compromising valuable computer resources.

ENHANCED 20 MILLION CLICKS OMROM ENGINEERED SWITCHES
The use of high quality OMRON switches provide a truly enhanced tactile response from each click; and with a 20 million click lifecycle, the VENTUS X optical RGB gaming mouse plans to compete as long as you do.

POWERFUL CUSTOMIZATION CONTROL
The VENTUS X optical RGB mouse is built for those looking for customization. It's built with 256kb onboard memory and 6 programmable that can store up to 5 profiles for macro, DPI and lighting effect adjustment, which allows for easy to use plug and play convenience for different systems. Save and recall your favorite settings in an instant.

SPECIAL ADVANCED MATTE COATING
Specially advanced coated material covers each zone of the VENTUS X optical RGB for improved comfort and durability, whilst creating a perfect balance between the areas required for essential grip, and areas for soft touch during your gaming sessions.

ADJUSTABLE WEIGHT SYSTEM
Get your mouse feeling the way you want. With a fully adjustable in-built weight system you can customize the VENTUS X Optical RGB mouse to have the perfect feel in your hand - allowing you to concentrate on your game better than ever before.

NEW GAMING SOFTWARE
Configure macro keys, advanced performance and lighting options with easy to use software

Specifications

Dimension	128.8 x 71 x 42.6 mm

Color	Black
Shape	Ergonomic design
No. of Buttons	6
No. of Macro Keys	30
No. of Game Profiles	5
USB cable length	1.8m
Omron Switches	20 Million click lifecycle
Weight-In Design	4.5G * 3 Weights (Removable)
Graphical UI	Tt eSPORTS Command Center
Gold-Plated USB	Yes
LIGHT COLOR	16.8 Million RGB Colors
LIGHTING EFFECT	Static , Pulse , Spectrum Running

Sensor Name	PIXART PMW-3360
Sensor Type	Optical
DPI	12000 DPI
Default DPI	400, 800, 1600, 3200, 5000
IPS	250
ACCELERATION	50g
Polling Rate	1000Hz, 500Hz, 250Hz, or 125Hz (1ms, 2ms, 4ms or 8ms).

Additional Information

Brand	Thermaltake
SKU	MO-VXO-WDOOBK-01-D
Weight	2.0000
Color	Black
Connection Type	USB
LED Color	RGB
Mouse DPI	12000
Special Price	$35.49
