

MAGICOOL

# Magicool 360S G2 Ultra Radiator - Black

\$79.00

## Product Images

## Short Description

As a professional OEM manufacturer in Computer liquid cooling area, Magicool's product line covers full range of liquid cooling components, including different size of heat exchangers, water tanks, pumps, cooling blocks and accessories. Excellent price-performance ratio and reliable quality make Magicool products

unique.

## Description

---

As a professional OEM manufacturer in Computer liquid cooling area, Magicool's product line covers full range of liquid cooling components, including different size of heat exchangers, water tanks, pumps, cooling blocks and accessories. Excellent price-performance ratio and reliable quality make Magicool products unique.

With its compact design and excellent cooling performance, the Magicool radiators become top choice of water cooling users. The copper fins are specially designed for silent fans, while the parallel coolant channels reduce liquid resistance to a minimum. On both sides of the radiator M3 threads are integrated to allow flexible fan mounting, on top chamber both G1/4" threads allow easy installation of all common fittings and barbs.

## Features

---

- Dual pass radiator designed for computer liquid cooling
- High liquid and air flow design
- Copper fin spacing optimized for silent fans
- Slim height for easy mounting
- Perfect for all overclocking and silent projects

## Specifications

---

Technical specifications	
Material	: Copper fins, brass chambers
Fins spacing	: 13 FPI (Fins Per Inch)
Dimensions	: 392 x 120 x 45 (mm)
Tube	: 16 mm x 1,5 mm
Connection threads	: G 1/4"
Weight	: 1188 g
Pressure tested	: 1,5 bar
Mounting / fan installation	: 12 pcs UNC 6-32 threads on both side for 120mm fan

Delivery includes:
1x Magicool G2 360S Ultra radiator
12x UNC 6-32 30mm screws
12x UNC 6-32 5mm screws
1x Retail Colour Box
3x Silicon pad
Warranty: On impermeability and build for 2 years!

## Additional Information

Brand	Magicool
SKU	MC-RAD360SG2
Weight	6.0000
Color	Black
Radiator Size	360 (3 x 120mm)
Radiator Thickness	45mm
