

BARROW Barrow G1/4" 45 Degree Rotary Adapter Fitting - Shiny Silver

\$7.95

Product Images

Short Description

The Barrow G1/4" Thread 45-Degree Rotary Fitting Adapter allows you to extend your fitting port at a 45 degree angle, allowing larger fittings to be used or allowing connection of other fittings! A great solution for people not using tubing between very close blocks! These have a rotary connection allowing the adapter to spin 360 degrees. This keeps tubing from kinking or breaking.
