

Singularity Computers Stop Plugs Fittings - Single

\$3.95

Product Images

Short Description

The SC Stop Fitting is a premium full brass component created on a CNC Lathe. It has a 6mm hex key and diamond knurling. It is powder coated instead of anodised for maximum corrosion resistance. The logo is laser etched revealing the brass underneath. The thread is a standard G 1/4" BSPP for compatibility with all

liquid cooling components on the market.
