

Barrowch 250mm Boxfish Series Acrylic Box Reservoir with OLED Display & D-RGB LED - Black

\$118.95

Product Images

Short Description

Another very unique design from Barrowch, the Boxfish series reservoirs draws inspiration from the marine animal of the same namesake to give you this one of kind reservoir series. With its built in D-RGB lighting and OLED temperature display it is packed with features you would expect from a much more expensive product, all while maintaining excellent build quality and using high end materials.

Description

Another very unique design from Barrowch, the Boxfish series reservoirs draws inspiration from the marine animal of the same namesake to give you this one of kind reservoir series. With its built in D-RGB lighting and OLED temperature display it is packed with features you would expect from a much more expensive product, all while maintaining excellent build quality and using high end materials. With a total of 8 G1/4" inlet/outlet options you have a myriad of options to plumb up your loop. With the LRC 2.0 lighting system you get dazzling lighting effects that can be controlled with a compatible motherboard or independently with an LRC controller (both available separately). To help keep cost down Velcro mounting strips are included, however a mounting bracket is available separately if that is your preferred method of securing the res.
