

PHANTEKS

Phanteks 220mm Premium Shielded High Speed PCI-E x16 Riser Cable

\$39.99

Product Images

Short Description

Phanteks riser cables are ideal for extending GPU performance for GPU that are mounted vertically. Compatible with PCI-E 3.0 standard, the riser cable features a slim cable design for more flexibility and clean aesthetics. Made from high quality solder points and gold-plated contacts to work flawlessly with high-end GPUs. EMI Shielding cover to reduce interference, quality PCB design to ensure no signal loss, and fast data transmission allows you concentrate more on work/gaming.
