

ae Aluminum 50mm Reservoir Holder - Black

\$11.95

Product Images

Short Description

These reservoir mounts are designed to fit 50mm diameter reservoir tubes. They have a very snug and secure fit, utilizing a machined aluminum clamp along with neoprene padding in order to protect your reservoir from any damage or scuffs. These mounts also can include either a 120mm or 140mm fan mounting adapters, which makes them extremely easy to mount on your radiator mounted fans. Overall these mounts are an affordable and effective method of having your 50mm reservoirs mounted securely within your case without any modding required. Available in multiple colors.
