## Product Images

## Short Description

The Effizio EFZ-100HA1 is a low-profile performance heatsink specially designed for the home theater setup. At just a scant 67mm or 2.64 inches tall with the included fan, the EFZ-100HA1 will even mount in a 2U rackmount case along with just about every home theater or small form factor case, it's just that small! It utilizes three 6mm heatpipes that directly contact the CPU and are intertwined to provide six effective heatpipes worth of thermal dissipation. A universal mounting bracket supports the widest range of current AMD and Intel sockets, including the latest multicore Phenom and i3/i5/i7 processors. An included fan speed

controller allows you to quiet down the fan to just the right balance of noise and performance for the most discerning user.

## Description

---

The Effizio EFZ-100HA1 is a low-profile performance heatsink specially designed for the home theater setup. At just a scant 67mm or 2.64 inches tall with the included fan, the EFZ-100HA1 will even mount in a 2U rackmount case along with just about every home theater or small form factor case, it's just that small! It utilizes three 6mm heatpipes that directly contact the CPU and are intertwined to provide six effective heatpipes worth of thermal dissipation. A universal mounting bracket supports the widest range of current AMD and Intel sockets, including the latest multicore Phenom and i3/i5/i7 processors. An included fan speed controller allows you to quiet down the fan to just the right balance of noise and performance for the most discerning user.

Plus, it comes with a 100mm fan with fluid dynamic bearings for years of reliable performance and no need to purchase a fan. The installation process is easy with a typical install time of under 10 minutes and it does not require the use of any other tools other than a screwdriver to remove and/or secure the motherboard.

## Features

---

-  *Effective Cooling* The Effizio EFZ-100HA1 features three intertwined 6mm heatpipes that directly contact the CPU, providing six effective heatpipes worth of thermal dissipation.
-  *Fan Controller Included* The Effizio EFZ-100HA1 includes a fan speed controller for convenient adjustments of fan speeds.
-  *Universal Socket Compatibility* Compatible with the widest range of current AMD and Intel sockets, including Intel LGA775 / LGA1156 / LGA1366, and AMD Socket 754 / 939 / 940 / AM2 / AM2+ / AM3, the SilenX EFZ-100HA1 is a great low-profile performance heatsink for height-constrained cases.

## Specifications

---

Brand

SilenX

Model

EFZ-100HA1

## Details

### Type

Fan & Heatsinks

### Compatibility

Intel: Socket LGA775 / LGA1156 / LGA1366

AMD: Socket 754 / 939 / 940 / AM2 / AM2+ / AM3

### Bearing Type

Fluid Dynamic

### RPM

1000-2000 RPM

### Air Flow

22-54 CFM

### Noise Level

8-24 dBA

### Heatsink Material

Aluminum & Copper

## Dimensions & Weight

### Heatsink Dimensions

108 x 105 x 67 mm

### Weight

364g

## Additional Information

---

Brand	SilenX
SKU	EFZ-100HA1-D
Weight	2.5000
Color	White
Material	Copper/Aluminum
Fan Dimensions	100mm
Fan RPM	2000
Fan CFM	54
Special Price	\$21.95
