\$99.99

Product Images

Short Description

SilverStone PB06 is a multi-function power bank with car jump starter, LED flashlight, and USB fast charging capability. It features a 10000mAh high capacity battery and includes jumper cables that can output 12V up to 400 amps peak current to start a car or motorcycle with ease. In addition, PB06 is also a great portable power bank for charging mobile devices such as phones or tablets.

Description

SilverStone PB06 is a multi-function power bank with car jump starter, LED flashlight, and USB fast charging capability. It features a 10000mAh high capacity battery and includes jumper cables that can output 12V up to 400 amps peak current to start a car or motorcycle with ease. In addition, PB06 is also a great portable power bank for charging mobile devices such as phones or tablets. Its Quick Charge 2.0 smart fast charging technology via USB shortens charging time for convenient everyday use and for those unexpected times, a dual-mode LED flashlight is available for emergency lighting. With the PB06, you are not only getting a fast charging power bank, but a backup device for nearly any situation.

Features

- 12V car jump starter function for emergency rescue
- Both input and output connectors support Quick Charge 2.0 fast charging technology up to 9V
- Includes two distinct LED flashlight patterns
- Compact and portable design for convenient storage anywhere in the car
- Includes comprehensive safety and protection mechanism

Specifications

Model No.	SST-PB06BS (black + silver)
Material	Aluminum cover, plastic body
USB input	5V / 2.1A, 9V / 1.5A
Capacity	10000mAh / 37Wh
Rated capacity	6500mAh
Jump start time	5 ~ 12 times (when fully charged)
Full charge time	4 ~ 6 hours (with Quick Charge 2.0 charger and 9V input)
Output	5V / 2.1A, 9V / 1.5A, 12V
Battery type	Lithium polymer
Starting current	200A
Peak current	400A

LED flashlight color	White
Battery status color	Blue
QC2.0 fast charging color	Green
Intelligent protection system	Over current protection, overload protection, under voltage protection
Environment	Operating Temperature: 5°C ~ 35°C Operating Humidity: 20%RH ~ 85%RH Storage Temperature: -40°C ~ 70°C Storage Humidity: 10%RH ~ 95%RH
Net weight	300g±20g
Dimension	80mm (W) x 22mm (H) x 152.3mm (D) 3.15" (W) x 0.87" (H) x 6" (D)

Additional Information

Brand	SilverStone Technology
SKU	PB06BS
Weight	2.0000
Color	Black/Silver
Internal or External	External
Ports	1
Vendor SKU/EAN	844761013073
