Short Description

SilverStone TS11-C is an external hard drive docking station made to accommodate 2.5" or 3.5" drive at speeds up to 10Gb/s with its USB 3.1 Gen2 capability and Type-C connector. This plug and play device is easy to setup and with its tray-less design, a user can quickly hot-swap drives on it in no time. For enthusiasts or professionals requiring even greater performance, the TS11-C is also equipped with UASP (USB Attached SCSI Protocol) so those with computers that support it can take their data transfer rate up another level.

Description

SilverStone TS11-C is an external hard drive docking station made to accommodate 2.5" or 3.5" drive at speeds up to 10Gb/s with its USB 3.1 Gen2 capability and Type-C connector. This plug and play device is easy to setup and with its tray-less design, a user can quickly hot-swap drives on it in no time. For enthusiasts or professionals requiring even greater performance, the TS11-C is also equipped with UASP (USB Attached SCSI Protocol) so those with computers that support it can take their data transfer rate up another level.

Features

- USB 3.1 type-C connector with Gen2 up to 10Gb/s super speed transfer rate
- Supports UASP (USB Attached SCSI Protocol) function for even faster performance
- Aluminum body with tool-free and tray-less design
- Supports all 2.5 and 3.5-inch SATA drives up to any capacity
- Plug & play with support for hot-swapping
- Multinational adapter socket included

Specifications

Model No.	SST-TS11G-C
Color	Gold
Material	Aluminum body with plastic-ABS cover
Data transfer rate	USB 3.1 Gen2 up to 10Gbps (Compatible with USB 3.0 / 2.0 / 1.1)
Connector	USB 3.1 Type-C
Chipset	ASM1351
Driver interface support	SATA I / II / III
Support operating system	Microsoft Windows 7 (32bit/64bit)*, 8/8.1/10 (32bit/64bit)** or future release version Mac OS 10.5*** or above
Environment	Operating Temperature: 5°C ~ 35°C Operating Humidity: 20%RH ~ 80%RH Storage Temperature: -20°C ~ 50°C Storage Humidity: 20%RH ~ 80%RH

Net weight 990g ± 20g
Dimension 72mm (W) x 55mm (H) x 130mm (D)
2.83" (W) x 2.17" (H) x 5.12" (D)

Remark

* If your OS version is Windows 7 or earlier, please install driver (available from SilverStone website) prior to using the TS11-C.

** Windows 8 or 8.1, 10 supports TS11-C automatically so you do not need to install additional driver for it.

*** User should check for XHCI function in Mac OS, if computer system supports XHCI function then it can support TS11-C automatically without additional driver installation.

Additional Information

Brand	SilverStone Technology
SKU	TS11G-C
Weight	2.0000
Color	Gold
Device Type	Docking Station
Bay Size	Dual 3.5"/2.5" Bay
Vendor SKU/EAN	844761012526
