

SilverStone 9.5mm 2.5" HDD/SSD super speed 5Gbps enclosure - Black

\$24.99

Product Images

Short Description

SilverStone created an incredible mobile storage product, the Treasure TS13. It connects to the PC via USB 3.0 super speed interface which enables data transfer with maximum compatibility and stability. The TS13 is designed to house 9.5mm thick 2.5" SATA HDD/SDD and is constructed with high quality aluminum to provide greater protection for your hard drive with minimalist styling. If the needs for maximum data transfer speed and versatility are top priorities, the TS13 external hard drive enclosure is possibly the best choice for the job.
