Silverstone Intel 5 Pin Power Conn.+7pin standard SATA Data Conn. to Combined SATA 22 Pin Power & Data SATA Connector

$11.99

Product Images

Short Description

SilverStone's CP12 is a SATA cable designed for use with Intel NUC motherboards. It converts 5pin SATA power and 7pin SATA data connectors into a 22pin combo connector. Designed to fit in tight spaces, the connectors are also 90 degree angled so they are easy to install and indispensable for adding extra drive in a NUC system.

Description

SilverStone's CP12 is a SATA cable designed for use with Intel NUC motherboards. It converts 5pin SATA power and 7pin SATA data connectors into a 22pin combo connector. Designed to fit in tight spaces, the connectors are also 90 degree angled so they are easy to install and indispensable for adding extra drive in a NUC system.

Features

- Support Intel NUC5i3MYBE / NUC5i5MYBE motherboards

- Designed for devices with 22Pin SATA connector (15pin power+ 7pin data)

- 90 degree angled connectors for easy installation
