\$15.00

Product Images

Short Description

Welcome to a new era in liquid cooling. Our goal is to shake up the market, to cause quite literally a renaissance of new ideas and creations. We have the edge when it comes to experience and the fact that we are true enthusiasts not focused only on profits. As enthusiasts we just want to see the technology advance more quickly.

Description

Welcome to a new era in liquid cooling. Our goal is to shake up the market, to cause quite literally a renaissance of new ideas and creations. We have the edge when it comes to experience and the fact that we are true enthusiasts not focused only on profits. As enthusiasts we just want to see the technology advance more quickly. We need more variety, more competition, more ideas, more imagination, more creativity and better tech!
