

Cooler Master Devastator II LED Gaming Keyboard and Mouse Combo Bundle with Red LED Edition

\$34.99

Product Images

Short Description

The Devastator II takes the best features of its predecessor and makes them even better. The keyboard has a crisp, mechanical response thanks to exclusive "mem-chanical" switches. The ambidextrous mouse features side buttons, on-the-fly DPI presets, and LED lighting. It's a steal whether you're new to PC gaming or a seasoned veteran.

Description

The Devastator II takes the best features of its predecessor and makes them even better. The keyboard has a crisp, mechanical response thanks to exclusive "mem-chanical" switches. The ambidextrous mouse features side buttons, on-the-fly DPI presets, and LED lighting. It's a steal whether you're new to PC gaming or a seasoned veteran.
