\$32.50

Product Images

Short Description

Use this handy aluminum enclosure to make a 3.5" IDE hard drive portable. Comes with a enclosure stand and uses the fast USB 2.0 or Firewire interface found on most new computers.

Description

Use this handy aluminum enclosure to make a 3.5" IDE hard drive portable. Comes with a enclosure stand and uses the fast USB 2.0 or Firewire interface found on most new computers.

Features

- Aluminum external enclosure will cool down 3.5" HDD easily
- Allows device hot-swapping(Plug and Play)
- Support HDD over 300GB
- [Fashion cooling LED light](#)
- CE/FCC approval
- Self power(power consumption 5V/1.5A & 12V/1.5A)
- To save space can be set vertically
- Product dimension: 122 x 133 x126mm
- Product net weight: 518g

Package Contents:

- 3.5" HDD aluminum external enclosure
- USB 2.0 A to B type cable(USB version and combo version)
- Firewire 6 pin to 6 pin cable (combo version)
- 5V/2A &12V/2A switching power adaptor. AC input: 100~240V
- AC power cable
- Installation CD
- Manual
- Plastic base

Specifications

Hardware Requirements:

- Pentium 266 Mhz or higher
- 64MB RMA or higher
- CD-ROM drive
- USB 2.0 or USB 1.1 host ports (for USB version)
Firewire ost ports (for Firewire version)

Specification:

USB2.0	Firewire(IEEE 1394)
<ul style="list-style-type: none">• Supports USB2.0 transfer rates of 12 Mbps and 480 Mbps• USB 2.0/ IDE compliant• Supports ATA-7 PIO modes 0-4 & UDMA modes 0-5 of operation• Support Ultra ATA/ 133 & UDMA 5• 40 times faster than USB 1.1	<ul style="list-style-type: none">• Compatible with 1394-1995 and 1394A• SBP-2 Target revision 4 compliant interface• Fully ATA-7 compliant• Support ORB chaining for increased performance• High-Speed IEEE 1394 interface access to high performance IDE device; data transfer rate up to 400 Mbps.

Operating System Support:

USB	Firewire(IEEE 1394)

USB 2.0 : <ul style="list-style-type: none"> • Windows XP/2000/ME • Windows 98SE (USB2.0 driver installed) 	<ul style="list-style-type: none"> • Windows XP/2000/ME/98SE • Mac OS x 10.04~10.1.3 / 8.6~9.2.2
USB 1.1: <ul style="list-style-type: none"> • Windows XP/2000/ME/98SE • Mac OS x 10.04~10.1.3 / 8.6~9.2.2
