\$59.95

## Product Images

## Short Description

---

This is one of the most unique hard tube bending mandrels we have to offer! With it, you can do a complete spiral bend with your 14mm OD rigid tubing. There are two pieces to the mandrel, giving you multiple options for how tight you want your spiral bend to be. Without this tool, achieving a perfect spiral bend can be extremely difficult for even the most experienced watercoolers. Made from solid ABS plastic you can rest assured this mandrel will stand the test of time, as well as the heat it has to endure while bending your tube. Pick one up for yourself today if you want to up your bending game!
