Short Description

No more buying different-sized HDD enclosure, now you can convert 2.5" SATA /SSD drive in your 3.5" enclosure by using the MT235 converter box. The housing of MT235 features the same size as a 3.5" SATA drive, and offers an internal HDD tray to fit any 2.5" SATA drive (up to 15mm height of drive), so that you can put it in any other 3.5" enclosure. The high flexibility of MT235 enables a high integration of your existing hard drive devices.

Description

No more buying different-sized HDD enclosure, now you can convert 2.5" SATA /SSD drive in your 3.5" enclosure by using the MT235 converter box. The housing of MT235 features the same size as a 3.5" SATA drive, and offers an internal HDD tray to fit any 2.5" SATA drive (up to 15mm height of drive), so that you can put it in any other 3.5" enclosure.
