Aquacomputer RGBpx LED ring for 60 mm reservoir, 12 addressable LEDs

$14.95

Product Images

Short Description

RGBpx compatible LED ring for reservoirs with 60 mm outer diameter with 12 individually addressable LEDs. The LEDs are mounted inside a black rubber ring that can be slid onto the tubes of a reservoir.
An Aqua Computer device with RGBpx output is required for operation (not included in delivery). A connector at the end of the strip can be used to connect another RGBpx component consecutively.
