Short Description

To alleviate the increasing trend of higher fan noise, we created an award-winning smart fan controller that doubles as a system monitor and an alarm clock. After a brief setup, the FP52 will take control of your most important fans so there are no constant user interventions or monitoring needed as fans change speeds by themselves based on temperature. Coupled with a smoothly finished aluminum bezel, the FP52 is truly the intelligent choice for both seeking performance and style.

Description

To alleviate the increasing trend of higher fan noise, we created an award-winning smart fan controller that doubles as a system monitor and an alarm clock. After a brief setup, the FP52 will take control of your most important fans so there are no constant user interventions or monitoring needed as fans change speeds by themselves based on temperature. Coupled with a smoothly finished aluminum bezel, the FP52 is truly the intelligent choice for both seeking performance and style.

Features

- Sophisticated fan control logic
- Wide temperature range
- Beautiful sapphire neon LCD
- Aluminum bezels and polished buttons

Specifications

Material	Aluminum front panel, steel sides

Color	Black
	Silver
Application	5.25`` drive bay
LCD Display	Temperature, fan speed, alarm clock, time, system status
Fan Output	0V, 6 ~ 12V
Temp. Range	0 ~100°C
Cooling System	Dual air intake mesh
Cable Length	800mm
Net Weight	220g
Dimension	158 mm (W) x 42 mm (H) x 85 mm (D)

Additional Information

Brand	SilverStone Technology
SKU	SST-FP52-B-D
Weight	2.0000
Color	Black
Device Type	Fan Controller
Bay Size	5.25" Bay
Special Price	$25.99
