Short Description

With this handy 24" 4-Pin Molex to SATA power adapter you can add SATA power functionality to your older power supply, or add additional SATA power connections to your newer power supply. Features unique 90 degree right angle connectors.

Description

Product Details:

With this handy 24" 4-Pin Molex to SATA power adapter you can add SATA power functionality to your older power supply, or add additional SATA power connections to your newer power supply. Features unique 90 degree right angle connectors. This cable comes sleeved in high quality black flexo mesh that is extremely flexible as well as incredibly durable, keeping your cable safe from fan blades or tight bends around sharp case edges.

Stock sleeving is in black for no extra charge. Any other colors can be used by choosing the paid option below.
