SilverStone SST-FP54 Silver VFD Display

Special Price
$74.95 was
$79.95

Product Images

Short Description

With the wonderful ability to display text in bright colors and in great detail, VFD (Vacuum Fluorescent Display) is a must have item for enthusiasts looking to personalize their computer. Unfortunately many VFD solutions require time consuming modifications that leave only the most experienced to enjoy this technology. But thanks to the introduction of FP54, VFD is now as easy to add as any ordinary CD-ROM drive!

Description

With the wonderful ability to display text in bright colors and in great detail, VFD (Vacuum Fluorescent Display) is a must have item for enthusiasts looking to personalize their computer.
