## Product Images

## Short Description

### Product Details:

Take the blazing speed of Serial ATA outside your case with an external slot plate from StarTech.com. The SATAPLATE1 adds external data

support to any existing Serial ATA controller. You' ll get up to 300 MBytes/sec of reliable data transfer for your Serial ATA peripherals, like external storage devices.

Installation is easy: just install the plate into an open I/O slot on your computer and connect the cables to the Serial ATA connectors on your motherboard or controller card. The slim SATA data cable provides less clutter for increased airflow inside your case. Like all our cable products, the SATAPLATE1 is backed by our lifetime warranty.

Features:

- Built in 1ft cable connects to a Serial ATA controller card
- Compliant with Serial ATA specification 1.0
- Easy installation and set up in minutes
- Fast data transfer rate of up to 300 Mbytes/sec
- Fits in any PCI slot
- Provides 1 external Serial ATA port to your computer

Applications:

- Slot plate allows you to use external Serial ATA devices for fast and easy connectivity

Specifications:

Warranty	Lifetime warranty
Product Length	1 ft [0.3 m]
Shipping (Package) Weight	0.11 lb [0.05 kg]
General Specifications	SATA II Compatible
External	1 x 7 pin SATA (female)
Internal	1 x 7 pin SATA (male)
Cable Length	1 ft
