Features

- Extreme Low Height - 64 mm!
64 mm "Extreme Low Height" feature makes this product to be compatible to most cases in the market.
- Original Designed Super Slim 100 mm / 12 mm Thin PWM Fan
Slim 100 mm x 12 mm thickness "Super Slim PWM Fan" which is originally designed by the Scythe engineer to make this product as low height as possible.
- Tool Free Easy Installation
Newly developed & "patent pending" mounting mechanism "VTMS (Versatile Toll-Free Multiplatform System) allows user to

install the Shuriken CPU Cooler without any tool and hassle. Shuriken CPU Cooler is compatible for socket 478/754/939/940/AM2/AM2+ & LGA775. All in one solution for your PC system.

- 3 x Heatpipe yet Ultra Light Weight
Ultra light weight as 355 g, which is nearly the same as the box CPU cooler comes with intel® or AMD CPU. 3 x heatpipes are build-in to this item yet this super light weight has been achieved!!
- Optional Fan Mounting
Optional 92 mm fan attachment is possible by using the included fan clip for more performance.
