## Product Images

## Short Description

---

### Product Details:

SilverStone created an incredible drive bay product, the Treasure TS03. This product has the ability to accommodate a slim optical drive, supports hot-swapping a 2.5" SATA drive without the use of screws, and provides two additional USB 2.0 ports. This collection of features makes TS03 a great choice for maximizing multimedia and storage capability in the space of a 5.25" drive bay.
