Short Description

Product Details:

To achieve a truly clean and organized system there is no way around heatshrink!

We offer heatshrink in a huge variety of colours and sizes covering virtually any size required in a PC. The smaller sizes are perfect to safely connect shortened cables or to fixate sleeving, the larger sizes can be used to bundle whole multiple cables together to optimize Airflow and keep the system clean.

This heatshrink has a shrinkage ratio of 3:1. This means that ever piece of it has, after being heated, only 1/3rd of it's previous diameter, length shrinkage is almost eliminated with this heat shrink tubing!

Technical details:
Shrinking temperature: approx. 90° C
Contraction ratio: 3:1
Length: 30cm
Colour: Silver

Note: mod/smart heatshrink priced and sold by the Foot
