$12.95

Product Images

Short Description

 A Performance PC's custom made firewire cable/adapter that goes from a firewire 10-pin male header and converts to a male 6-pin external connector.

Description

Product Details:

A Performance PC's custom made firewire cable/adapter that goes from a firewire 10-pin male header and converts to a male 6-pin external connector.

Please consult your motherboard manual to check for pin outs of your 1394 headers.

Standard Wire Assignments

Blue: TPA +
Orange: TPA -
Green: TPB +
Red: TPB -
White: VP / Voltage + / VCC
Black: GND / Voltage -
Black: S-GND / Over Current / Shielding

The S-GND wire is fatter and can be easily recognized

Specifications

Specifications:

- The cable can exit through the PCI opening and plugged into one of the 1394 ports located at the back of the PC.
- You can also connect this cable to the internal port (firewire 6 pin female) of PCI firewire card, or USB firewire combo card and then to the device using a header.
- Cable is 12" long.
