Short Description

CHRONO GUARD is a CPU cooler designed with a HDCS (Heat-pipe Direct Contact Solution).

It is fully equipped with a pre-assembled, high-performing PWM fan and REEVEN's advanced mounting brackets.

Due to these particular features CHRONO GUARD offers a great combination of outstanding reliability, optimal heat exchange and easy, straightforward installation.

Description

CHRONO GUARD is a CPU cooler designed with a HDCS (Heat-pipe Direct Contact Solution).

It is fully equipped with a pre-assembled, high-performing PWM fan and REEVEN's advanced mounting brackets.

Due to these particular features CHRONO GUARD offers a great combination of outstanding reliability, optimal heat exchange and easy, straightforward installation.

Features

HDC Solution

- Three Direct Contact heatpipes provide higher efficiency and excellent heat dissipation.

High Performance

- The cooler comes pre-assembled with a high performance PWM fan.

Quick to Install

- A push-pull type mounting kit for a quick installation comes with every cooler.
