Barrowch Intel 115X/X99/X299 Digital Display (Color screen version) CPU Water Block - Red

$123.95

Product Images

Short Description

Want a unique CPU waterblock with an integrated OLED temperature readout, but don't want feel like selling a kidney to get one? Well you're in luck because Barrowch has you and your CPU covered with this sleek solution! Designed for Intel consumer and workstation platform this block will work with 115x, X99 and X299 socket CPUs.

Description

Want a unique CPU waterblock with an integrated OLED temperature readout, but don't want feel like selling a kidney to get one? Well you're in luck because Barrowch has you and your CPU covered with this sleek solution! Designed for Intel consumer and workstation platform this block will work with 115x, X99 and X299 socket CPUs. With 0.4mm micro-fins and copper heat-plate you get thermal dissipation not typically found in this price range. Barrowch could have stopped there, but they insisted on giving you all the modern conveniences of fully customizable RGB that can be synced with your ASUS, MSI, Gigabyte and ASRock motherboards (adapter cables sold separately). The OLED power is provided via a standard 3-pin fan connector and the temperature readout is achieved via a thermal probe built into the block. All mounting hardware is included so you have everything you need to get up and running.

Features

Integrated interface

-Through integrating circuits,Integrate the internal circuits into one power input

-only need access to Barrow's LRC2.0 lighting system

Various switching modes

-click the button in round hole to switch different modes by the accessory eject pin

BARROWCH
P/N:FBLTFHI-04N V2

Super strong Compatibility

-Compatible with three major platforms including the 115X X99 X299 platform

BARROWCH
P/N:FBLTFHI-04N V2

New graphicLOGO

-With its appearance and visual impact, we named it ——extreme frozen shark

Aluminum alloy
CNC

-the entire aluminum alloy raw materials
-multiple process CNC machined
-anodizing sandblasting process
-the surface texture is exquisite

Intensive jetting micro waterway

-0.4*0.2mm intensive 49 grooves
micro jetting waterway
-strong heat sink efficiency

BARROWCH
P/N:FBLTFHI-04N V2

Full color lighting

-The lighting system presents a dazzling surrounded RGB effect
-It can be controlled independently
-also could be compatible with some motherboards' RGB interfaces

BARROWCH
P/N:FBLTFHI-04N V2

OUT

IN

The center distance of the inlet and outlet is 28.85mm

Full color

TFT temperature display screen

-Multiple modes to switch at will
-Water temperature Real-time display
-Super fast 1 ms frequency sampling rate

Specifications

	Barrowch
	Copper

	Intel 1200/115x/1366/2011(-3), 2066
	2x G1/4
	Black
	1x Barrowch Intel 1200/115X/X99/X299 Digital Display CPU Water Block - Black 1x Mounting hardware

Additional Information

Brand	Barrowch
SKU	FBLTFHI-04N-V2-RD
Weight	2.5000
Color	Silver
CPU Series	Intel 115X/2011/2011-3/2066/1200
Block CPU Type	Intel
Block Style	Nickel-Plexi
Vendor SKU/EAN	693782662331
