## Product Images

## Short Description

---

Full aluminum built cooling body constructed to fit four drives within a three (5.25") bay fitting, the MB454 Series follows the tradition of industrial systems' needs for stability, durability, toughness and high sensitivities for mass storage operating conditions. It's equipped with a hot swappable fan that may be detached if confined by depth limitations when integrated, or if replacement is necessary. Our removable fan requires no tools or wiring, simply swap with a new fan and back to operation! It is space saving and user friendly for industrialized system solutions.

## Description

---

Full aluminum built cooling body constructed to fit four drives within a three (5.25") bay fitting, the MB454 Series follows the tradition of industrial systems' needs for stability, durability, toughness and high sensitivities for mass storage operating conditions. It's equipped with a hot swappable fan that may be detached if confined by depth limitations when integrated, or if replacement is necessary. Our removable fan requires no tools or wiring, simply swap with a new fan and back to operation! It is space saving and user friendly for industrialized system solutions.

## Features

---

- 4 in 3 RAID back plane module.
- Fits three 3.5" SATA I / II / III hard drive fully supports Hot-Swap function.
- Compact and space saving for multiple drives fit (Four drives within three 5.25" bay fitting).
- Internal drive security, exchangeability, expandability and maintenance capabilities.
- Durable aluminum body for excellent heat dissipation with stylish outlook.
- Detachable 80mm ball bearing rear cooling fan for easy maintenance.
- Advanced drive monitoring system built internally w/ visual & audio indicators.

## Specifications

---

Model Number :	MB454SPF-B
Color :	Black
Host Interface :	7 pin SATA
Drive Fit :	4 x 3.5 " SATA 1.5 / 3 / 6 Gbit/s hard drive
Drive Bay :	3 x 5.25"
Transfer Rate :	Up to 6Gb/sec. (depending on hard drive speed)

Insert& Extract connection Via :	Direct SATA hard drive connection
Structure :	Aluminum body w/ partial plastic
Drive Cooling :	Detachable rear outtake fan w/ aluminum heat dispersion
Alarm Indication :	Auto & Visual
LED Indication :	Drive activity/overheat/failure, Fan working/failure status
LED Display Color :	Green : Device Power ; Amber : Drive activity/overheat/failure ; Red : Drive failure
Dimension (L x W x H) :	( w/ fan) 220.0 x 147.0 x 127.0 mm (w/o fan) 180.0 x 147.0 x 127.0 mm
Weight :	3.50 lbs.

## Additional Information

Brand	IcyDock
SKU	MB454SPF-B-D
Weight	4.0000
Color	Black
Device Type	SSD/HDD Enclosure
Bay Size	Triple 5.25" Bay
Special Price	\$86.96
