Short Description

Product Details:

SteelSeries Spectrum 7xb Headset is the wireless headset designed for Xbox 360 gamers. The SteelSeries Spectrum 7xb combines advanced wireless technology with SteelSeries ExactSND and LiveMix features, interchangeable leather earcups (with cloth earcups available on our web store), and innovative audio options with SteelSeries' award-winning, signature features like the retractable, unidirectional mic, four-piece breakdown and 50mm drivers. The headset's wireless transmitter, no larger than a deck of playing cards, utilizes a 2.4 GHz proprietary radio interface which powers the wireless functionality of the headset. The transmitter connects directly into the Xbox 360 console and is equipped with connections for USB, 3.5mm and RCA jacks allowing the user to choose their preferred connection. The Spectrum 7xb will operate up to 30 feet away from the Xbox 360 transmitter and features a smart LED to notify when the headset is connected.

Features:

- Wireless Xbox 360 headset
- Noise-dampening, interchangeable leather earcups
- Easily dismantles into 3 separate parts
- Retractable unidirectional microphone
- Independent game and voice volume controls
- SteelSeries LiveMix, for optimal Xbox LIVE® chat and in-game audio
- Optimized and adjustable soundscape for high, low and mid tones
- Sound and voice compatible with Xbox Live

Specifications:

- Earpiece Design: Over-the-head
- Earpiece Type: Binaural
- Driver Size: 1.97"
- Microphone Design: Boom
- Microphone Sensitivity: -38 dB
- Connectivity Technology: Wireless
- Wireless Technology: RF
- Cable Length: Not Applicable
- Wireless Operating Distance: 29.53 ft
- Sound Mode: Stereo
- Impedance: 32 Ohm
- Minimum Frequency Response: 18 Hz
- Maximum Frequency Response: 28 kHz

- Maximum Battery Run Time: 20 Hour
- Host Interface: Not Applicable
- Color: Black
- Material: Leather
- Form Factor: Ear-cup
