Short Description

Introducing the MB153SP-B, a 3-in-2 SATA internal RAID backplane for 3.5" SATA hard drives. This is a lite version of the MB45X series by removing the monitoring features and reducing the overall cost, while keeping the same 3 year warranty and the core tray system for hot swapping and maintenance are kept for the best reliability in the market.

Description

Introducing the MB153SP-B, a 3-in-2 SATA internal RAID backplane for 3.5" SATA hard drives. This is a lite version of the MB45X series by removing the monitoring features and reducing the overall cost, while keeping the same 3 year warranty and the core tray system for hot swapping and maintenance are kept for the best reliability in the market.

Features

- 3 in 2 RAID backplane module.
- Fits three 3.5" SATA I / II / III (SATA 6Gbps) hard drives in two 5.25" device bay & fully supports SATA Hot-Swap function.
- 80mm cooling fan with full metal body for excellent heat dissipation for the most intense applications.
- Compact and space saving to fit multiple drives.
- Interchangeable tray design with MB45X, MB559 & MB561 series.
- Enhanced Direct Air Flow Design - Shuts off vents while adding larger ventilation on the backplane

PCB.

- Uses SATA 15 power ports for best compatibility with the newest power supplies.
- LED hard drive status notification.
- Active Power Technology (APT) - individual led & cooling fan only powers up if there is a drive installed in the bay.
- Removable EZ-Tray design for internal drive security, exchangeability, expandability and maintenance capabilities.
- Replaceable rear cooling fan for easy maintenance or aftermarket replacement with 2 and 3 pin power ports available.
- ICY DOCK 3 year warranty equivalent to hard drive manufacturer warranty to ensure maximum reliability and long life.

Specifications

Model Number :	MB153SP-B
Color :	Black
Drive Fit :	3 x 3.5" SATA 1.5 / 3 / 6 Gbit/s hard drives
Drive Bay :	2 x 5.25" half height device bay
Host Interface :	3 x 7 pin SATA port
Power Input :	2 x 15pin SATA Power
Transfer Rate :	Up to 6Gb/sec. (depending on hard drive speed)
Insert& Extract connection via :	Direct SATA hard drive connection
Structure :	Metal body w/ partial plastic
Drive Cooling :	Replaceable 80 x 80 x 25mm cooling fan Compatible with most 80mm fans with 2pin/ 3pin connector Metal chassis heat dispersion
Power Indicator :	Solid Green LED (Power On)
HDD Access Indicator :	Flashing Amber LED
Dimension (L x W x H) :	146.4 x 200.4 x 85.8mm
Weight :	912g

Additional Information

Brand	IcyDock
SKU	MB153SP-B
Weight	1.5000
Color	Black
Device Type	SSD/HDD Enclosure
Bay Size	5.25" Bay
Special Price	\$72.96
