

Razer Tactical Backpack 14.0"

\$119.99

Product Images

Short Description

The Razer Tactical backpack is made from the same materials used for military flak jackets to protect its wearer from debris and fragmentation – thick, tightly woven robust ballistic nylon. Its water-resistant, scratch and tear-proof exterior effortlessly protects your gear as you take on the perils of everyday life.

Description

The Razer Tactical backpack is made from the same materials used for military flak jackets to protect its wearer from debris and fragmentation – thick, tightly woven robust ballistic nylon. Its water-resistant, scratch

and tear-proof exterior effortlessly protects your gear as you take on the perils of everyday life.

Features

DIVERSE MULTIPURPOSE COMPARTMENTS

Compartments inspired by military utility bags, the Razer Tactical backpack comes with a modular webbing front, allowing you to customize with most MOLLE pouches. Whether you're heading off for a LAN party or a weeklong trek, the configurable compartments allows your backpack to perfectly adapt to your specific needs.

CARRY WITH COMFORT

A frameless design with heavily padded shoulder straps and back panel ensures comfort and ease regardless of what you carry. Easily engage the chest strap to evenly distribute the weight of a heavier load over your back so you experience less fatigue.

Specifications
