## Description

---

CORSAIR Hydro X Series XT Hardline Tubing completes the connections between your Hydro X Series custom cooling equipment, putting your coolant on display with crystal-clear PMMA tubing.

## Features

---

### CRYSTAL-CLEAR, RESILIENT PMMA TUBING

Puts your coolant on full display in perfect and precise tubing runs that won't warp or deform under high pressure or high temperatures.

### EASY TO CUT

Create unique and stunning tubing runs, easily cut to length using just a fine-toothed hacksaw (not included).
