Short Description

A virtual PC light show! Ultra proudly presents this double pack of UV emitting neon round cathode lights for the killer clear panel case that has everything except really cool glow-in-the-dark lighting. Easy to install! Just mount them onto any 80mm fan. Ultra UV Series Super Bright Round Lights will illuminate any UV-reactive peripherals. Expertly crafted and ingeniously designed to provide a lifetime of great performance. These Ultra neon UV emitting 80mm-fan lights are the best in the industry!

Description

Ultra UV Series Super Bright 80mm Round Light Kit
A virtual PC light show! Ultra proudly presents this double pack of UV emitting neon round cathode lights for the killer clear panel case that has everything except really cool glow-in-the-dark lighting. Easy to install! Just mount them onto any 80mm fan. Ultra UV Series Super Bright Round Lights will illuminate any UV-reactive peripherals. Expertly crafted and ingeniously designed to provide a lifetime of great performance. These Ultra neon UV emitting 80mm-fan lights are the best in the industry!

Note: Computer cases with snap-on fan ports may need slight modifications to accommodate these round cold cathode lights.
