Description

Product Details:

HDMI HDTV Cable - Black/Gold

You can depend on Ultra for the industry's the finest HDMI 1080 cables. This cable delivers the ultimate performance for the highest resolution HDTV reception. No other product can match the quality and reliability of an Ultra HDMI 1080 cable. Although many HDMI 1080 cables look alike, there's more to a cable than meets the eye. An inferior cable can distort reception or fail unexpectedly, leaving you without a reliable signal. Every Ultra HDMI 1080 cable undergoes rigorous testing to ensure that it exceeds the strictest standards. As a result, you'll be able to enjoy peerless HDMI 1080 performance without having to worry about cable failure. For worry-free cable performance, choose Ultra's HDMI 1080 cables.
