Product Details:

Tweakmonster 80mm Fan grills can be used with the Tweakmonster Dual 80mm Fan Brackets or elsewhere, and feature a silhouetted image of Tweakmonster.com's 'Tweak Monster' logo.

- Precision laser cut from UV reactive acrylic or Mirror-finished steel, these grills will protect your fans from foreign objects with minimal airflow restriction while adding that extra visual effect.
- Fully reactive to Ultraviolet, Cathode and LED fan lighting (Acrylic grills only), these 80mm grills will add that custom finishing touch to any case they are installed in.
- Mirror-finished steel grills feature a 'shinier than chrome' process for an unbelievable lustre and shine

that looks just like a mirror!
