Short Description

The XTracPads Ripper™ is a gamers best friend. Roll it up and take it with you to your next LAN party. Its soft and your mouse can slide with less friction than a standard cloth mouse pad thanks to our specially treated surface.

With more real estate than most mouse pads, the XTracPads Ripper™ is an excellent choice for the discerning gamer.

Description

The XTracPads Ripper™ is a gamers best friend. Roll it up and take it with you to your next LAN party. Its soft and your mouse can slide with less friction than a standard cloth mouse pad thanks to our specially treated surface.

With more real estate than most mouse pads, the XTracPads Ripper™ is an excellent choice for the discerning gamer.
