Short Description

Clear Acrylic Raspberry Pi Model B+ / Pi 2 Case with light green clear base plate – total six plates, just follow the enclosed instruction, snap-on and ready to go. There is a predrilled hole for 30mm fan. The color Raspberry Pi Logo sticker included for you to label anywhere you like. This case works for the Raspberry Pi Model B+ / Pi 2 only. It does not work for the Raspberry Pi Model A or B. It does work with the model A+ but there will be a bit of empty space, you'll need to snake your USB cable or connector through the front holes which may not work if the cable is bulky. No Raspberry Pi included. This is just the enclosure.
