Short Description

Product Details:

The Night Hawk series is a USB 2.0/SATA combo aluminum external enclosure for 3.5" SATA h.d.d. Easy to use tool-less installation and use of fast modern day SATA hard drives makes this the top choice of external enclosures on the market today. The Kingwin Night Hawk TL-35CS external drive provides great performance on both the USB and SATA installs. External SATA is becoming more and more common and the ability to use your high speed SATA 150 drives externally makes this drive a performance dream.

Features:

- Tool-less installation.
- SATA H.D.D. to USB 2.0/SATA combo interface.
- Plug & Play.
- Shock resistant protection.
- Aluminum material.
- Ball bearing fan.
- Fan failure alarm system.
- Power adapter included.
- Jmicro chipset.

Specifications:

Interface:	USB 2.0 and SATA combo to SATA H.D.D.
Application:	3.5" SATA H.D.D.
Material:	Aluminum alloy.
Cooling fan:	Ball bearing fan.
Power adapter:	AC input:100~240V, 50~60Hz; DC output: 12V,2A/5V,2A; Watts: 34W.
Color:	Black
Dimensions:	210(mm)L x 122(mm)W x 39(mm)H / 8 1/4"(L) x 4 3/4"(W) x 1 1/2"(H) inches.
Weight:	4 lbs.
System requirement:	PC or Mac system (Desktop / Laptop) with available SATA or USB ports.
Operating system:	Windows 98SE/ME/2000/XP, Mac OS 8.6 or higher.
Contents:	Aluminum main enclosure, SATA cable, USB2.0 A-B cable, DC 5V/12V dual power adapter, power cable for adapter, driver CD, and mounting screws.
