## Product Images

## Short Description

The ModRight Black-Out Series 3-Pin to 3x 3-Pin Y Cable Splitter is a 3-pin fan splitter cable. This handy cable can split a single fan header into multiples. Each wire extends 12" and then splits off with individual lines allowing for proper wire management for close proximity fans. These splitters are great for radiators and other application where multiple fans are located in a general area.

### Product Details:

The ModRight Black-Out Series 3-Pin to 3x 3-Pin Y Cable Splitter is a 3-pin fan splitter cable. This handy cable can split a single fan header into multiples. Each wire extends 12" and then splits off with individual lines allowing for proper wire management for close proximity fans. These splitters are great for radiators and other application where multiple fans are located in a general area.

The ModRight Black-Out Series is all black connectors, all black wire, and all black construction!

The ModRight Black-Out Series was created to cut right to the chase. No one really wants to see wire cable colors. Furthermore some people don't want to sleeve their cables or pay more for pre-sleeved cables. They simply want a cable that functions and doesn't distract from the rest of the hardware. Then steps in the Black-Out Series! The all black design will disappear in your case sending power and data where you need it without drawing attention to itself! The best part is these cables are priced right!
